

This aerial site plan illustrates the proposed development at 1000 10th Avenue. The central feature is a large, rectangular building footprint. To the west of the building is a parking lot with several parking spaces and a small landscaped area with trees. The site is bounded by 10th Avenue to the north and 11th Avenue to the south. The plan includes a north arrow pointing towards the top left. Two section lines are shown: A-A' running diagonally from the top left to the bottom right, and B-B' running diagonally from the top right to the bottom left. The surrounding context shows existing buildings and streets in the area.
